**Please find below and/or attached an Office communication concerning this application or proceeding.**

The time period for reply, if any, is set in the attached communication.

Continuation of Substance of Interview including description of the general nature of what was discussed: The examiner contacted applicant's attorney and left message concerning addition of applicant John Walsh. Specifically, the examiner was concerned about the "Assignee Consent" form. It does not appear that PS/EMC West LLC is the current assignee so it does not appear that PS/EMC West LLC can give consent to add a new inventor. The examiner did not hear a response from Mr. Oblon within 24 hours of the message being left. The applicant is put on notice that the request may be denied and a provisional rejection under 35 USC 102(f) may be forthcoming.
